(2)	#10-32 set screw
-----	------------------

Installation

1. First, fully recess the set screws, then slide the bracket onto the tubing and tighten the set screws.

Care and maintenance varies by finish. Given the nature of the product, typical wear and tear may be noticed with your shelving over time, such as scuffs, scratches, and dirt.

Visit [Kegworks.com/care-guide](https://www.kegworks.com/care-guide) to read our guide on how to properly prep, clean, and maintain all of our metal finishes.

Complete The System

Make sure to get all the necessary components to complete your shelving system.
