

Finial

Cantilever

Provide support for cantilever shelving tubing with the post bracket made from brass.

Standard Finishes

Brushed
Brass

Antique
Brass

Offers a refined
finishing touch with its
classic tiered silhouette.

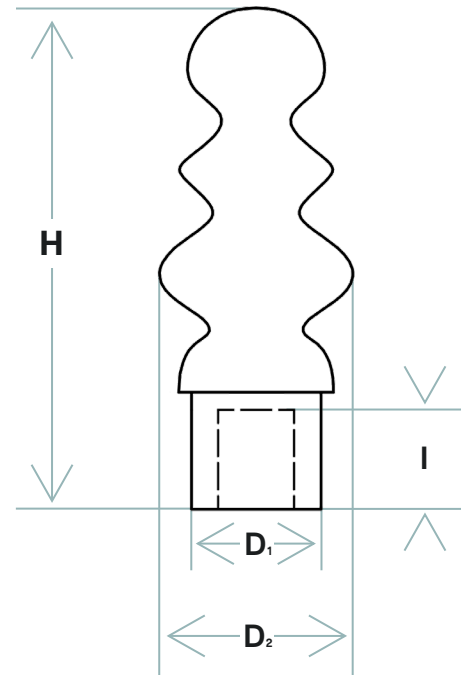

Custom finishing is available upon request.

No mounting hardware or
set screws are required
just press into place.

Dimensions

(H)	Height	3.43"
(D ₁)	Diameter 1	0.89"
(D ₂)	Diameter 2	1.33"
(I)	Inset	0.68"

Installation

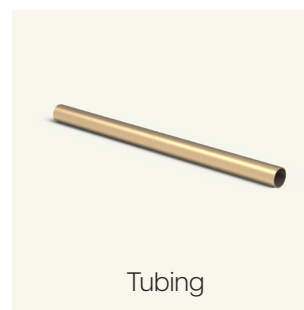

1. Press the finial into the tubing. Use adhesive for a more secure, permanent fit.

Care and maintenance varies by finish. Given the nature of the product, typical wear and tear may be noticed with your shelving over time, such as scuffs, scratches, and dirt.

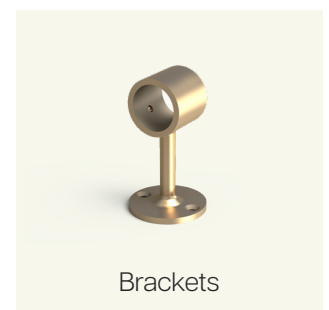

Visit [Kegworks.com/care-guide](https://www.kegworks.com/care-guide) to read our guide on how to properly prep, clean, and maintain all of our metal finishes.

Complete The System

Make sure to get all the necessary components to complete your shelving system.
